

Cardiology Teaching Programme: Critical Appraisal & ECG Teaching

Course Directors: Dr David Gent & Dr Richard Bogle
 Nonsuch Room 1, Ground Floor Education Centre, St Helier Hospital
 Alternate Wednesday Mornings: 08:15 - 09:00

Date	Topic
20/11/2019	ECG Teaching: How to read an ECG
04/12/2019	Critical Appraisal: Dapagliflozin in Patients with Heart Failure & Reduced EF
18/12/2019	ECG Teaching: Sinus node & AV node disease
08/01/2020	Critical Appraisal: Stable Ischaemic Heart Disease: The ORBITA Trial
22/01/2020	ECG Teaching: Atrial flutter & Atrial Tachycardia
05/02/2020	Critical Appraisal: Immediate or Delayed Angiography after Cardiac Arrest
19/02/2020	ECG Teaching: Premature beats
04/03/2020	Critical Appraisal: TAVI in Aortic Stenosis: PARTNER 3 Trial
18/03/2020	ECG Teaching: Ischaemic heart disease & ST changes
01/04/2020	Critical Appraisal: PCI versus CABG in Stable IHD: The SYNTAX study
15/04/2020	ECG Teaching: Bundle branch block, hemiblock and tri-fascicular block
06/05/2020	Critical Appraisal: Complete Revascularisation with Multivessel PCI for Acute MI
20/05/2020	ECG Teaching: Atrial fibrillation
03/06/2020	Critical Appraisal: Percutaneous mitral repair versus medical therapy in secondary mitral regurgitation
17/06/2020	ECG Teaching: Ventricular tachyarrhythmias
01/07/2020	Critical Appraisal: Early or delayed cardioversion after presentation with AF
22/07/2020	ECG Teaching: Quiz and Prizes

Critical Appraisal:	<p>The study will be presented</p> <p>A copy of the paper is provided at the following link: https://drive.google.com/drive/folders/19xxukN6CcSMXLBksA4WdaqRKcFABQ6gE</p> <p>Read the paper and be prepared to discuss and critique.</p>
ECG Teaching:	<p>The topic will be discussed in an interactive way using original ECG traces. There will be plenty of time for audience participation and questions.</p>

**THIS MEETING IS SPONSORED - BREAKFAST WILL BE PROVIDED. A SHORT PHARMACEUTICAL COMPANY PRESENTATION MAY BE GIVEN
 ALL STAFF AND STUDENTS ARE WELCOME TO ATTEND**
